*The time by when one should have already eaten the Afikomen.

Very important: Those persons who have sold their Chametz to a non-Jew on Erev Pesach may only start consuming those Chametz products from 1 hour after (termination of) motzei, Shabbos and Yom Tov – due to the Beth Din needing to repurchase the Chametz from the non-Jew, however, Chametz products may be purchased immediately from a shop that is owned by a non-Jew.
