RABBI DOVI GOLDSTEIN

Dear Community,

As we embark on a new year, we wanted to take a moment to reflect on the past and express our gratitude to all of you. Your support and encouragement have been instrumental in our success and we couldn't have done it without you.

In our recent survey, we were overwhelmed by the positive feedback we received from our community. We are grateful for your thoughts and insights and we want you to know that they are being taken into consideration as we work to improve our offerings.

We are excited to announce that this year, we will be launching several new initiatives that we believe will enhance your experience with us. From new product launches to community events, we are committed to delivering the best possible experience to you.

We would also like to remind you of the resources available to you, including our new website and Kosher SA Whatsapp support line who are always here to assist you with any questions you may have.

In conclusion, we would like to express our heartfelt thanks for being a part of our community and for your continued support. We look forward to another year of growth and success together.

Kind Regards,
