2023

Less stressing

More blessing

PET FOOD POLICY

The Beth Din wishes to clarify that a kosher for Pesach Pet Food must be used as per the Pesach Guide. If you can't find your pet food on the list, only then should the pet and its food be sold via the Beth Din to a non-Jew.

The non-Jew on his/her own accord, (without explicitly instructing them to feed the pet Chametz) should feed it in their own designated area throughout Pesach.
