Message from **RABBI DOVI GOLDSTEIN**

As the December holiday season unfolds, we're thrilled to bring you the latest edition of our newsletter, brimming with exciting updates and delectable delights in the kosher world. This December, we're delighted to introduce you to new products, restaurant updates, and helpful holiday info.

Discover new kosher products, updates, and notices. If you're in the Cape Town region, remember that The Press and Goldies are moving and many of our Joburg Food Services will remain open for most of the holiday period.

We have added to our Holiday Guide this year, including how to kasher various items when you're traveling and useful things to remember. We have also created a single-page poster of all the kosher food services available at the coast making your holiday meal preparations a breeze.

As 2023 draws to a close, we want to take a moment to extend our warmest wishes for a safe and rejuvenating holiday season and thank you for being a part of our kosher community

Warm Regards,

Rabbi Dovi Goldstein | MD Kosher SA
