*The time by when one should have already eaten the Afikomen.

Very important:

NB! Those persons who have sold their Chametz to a non-Jew on Erev Pesach may only start consuming those Chametz products from 1 hour after Motzei (termination of) Yom Tov - due to the Beth Din needing to repurchase the Chametz from the non-Jew. However, Chametz products may be purchased immediately from a shop that is owned by a non-Jew
